Sharing God's Love Royally...

Tuesday Games Marked

Power of Observation

(multiple people, low activity)

Have everyone look around the room and try and memorize what they see. Ask everyone to leave the room and make some switches to the room. Turn lamps on, flip a magazine over, etc. Be sure to write down your changes. Then invite everyone back in the room and time how long it takes to find all your changes.

Human Spring

(Pairs, Moderate activity)

This is the opposite of the standoff game. Instead of trying to throw your partner off balance, this time you need to cooperate to spring back up.

Face each other with palms facing out. Fall into each other and then gently push off each other to spring back up. Start relatively close to each other and then take a half step back and repeat. Keep trying half-steps back until you can not spring each other back up.
