

Lion King VBS 2021 Snacks!

Thursday–Giraffe Cupcakes

Supplies

- Cupcakes
- Reece's Pieces
- Nutter Butter Cookies
- Vanilla Wafer Cookies
- Yellow Buttercream
- Candy Eyes
- Brown Chocolate Melts
- Grapes
- Wooden Skewers

Directions

1. Make your cupcakes using the box directions. Let them cool. Once cool, frost them with yellow buttercream and place Reeces pieces around the edges.
2. For the Giraffe head– use melted brown chocolate to stick on the candy eyes and candy corn “ears.” Take a little more melted chocolate and carefully glue the vanilla wafer to the back of the Nutter Butter cookie head. You will have to hold it in place until it hardens back up. Once it is dry, carefully push the end of the vanilla wafer into the cupcake so that the head sticks up.
3. Take some grapes and place them on a skewer using different sizes to again mimic a bug to eat!
