

Lion King VBS 2021 Snacks!

Wednesday–Oasis

Supplies

- Cupcakes
- Green & Blue buttercream Frosting
- Animal Crackers
- Pretzel Rods
- White & Brown chocolate melts
- Apples
- Caramel Sauce

Directions

1. Make your cupcakes as directed. Once they are cooled put a dab of blue buttercream in the center and then ring that with the green buttercream to look like a pond . Add animal cracker animals to the frosting as if they are drinking water at the oasis!
2. Melt your white chocolate melts in the microwave in a tall container. Once it is melted, dip the pretzel rod into it, shake off the excess and place on a cookie sheet covered in parchment. Melt the brown melts in a plastic piping bag in the microwave. Once it is melted, snip off the end and add zebra stripes to your pretzel.
3. Take some apple slices and drizzle them with caramel sauce to complete today's snack.
